Inspections requiring access to the interior of the dwelling will be scheduled in advance with the applicant. UICNA is under no obligation to inspect the property and if an inspection is made, UICNA in no way implies, warrants or guarantees the property is safe, structurally sound or meets any building codes or requirements.

**AFFIRMATION OF FLOOD INSURANCE NOT PROVIDED**

I hereby understand and agree that flood insurance is not provided under this policy written by UICNA. UICNA will not cover my property for any loss cause by or resulting from a Flood. I understand Flood Insurance may be purchased separately from a Private Flood Insurer or The National Flood Insurance Program ("NFIP"). If I make a claim for water damage against this policy and I have not purchased Flood insurance separately from a private insurer or the NFIP, I will have the burden of proving the damage was not caused by Flood. The Florida Department of Financial Service and UICNA strongly recommend that property owners in "Special Flood Hazard Areas" (as identified by the NFIP) obtain Flood coverage. I have read and understand the information above.
