

# Horry County

## Wind Zone 1 Boundaries

(1) In Horry County, beginning at the northern border of Horry County, all areas east of the west bank of the intracoastal waterway to the point where the U.S. Highway 17 crosses the intracoastal waterway (2) from the point where U.S. Highway 17 crosses the intracoastal waterway, south to Georgetown - Horry County border, all areas which are east of U.S. Highway 17 or By-Pass 17, whichever is farther west.

## Wind Zone 2 Boundaries\*

(1) Beginning at the northern border of Horry County, an area bounded on the west by a line defined as follows: SC Highway 57 (Wampee Road) to the point where it meets SC Highway 9, then following SC Highway 9 east to SC Highway 31 west to River Oaks Drive, then following River Oaks Drive to U.S. Highway 501, across US Highway 501, where the road becomes George Bishop Parkway, then following George Bishop Parkway and turning right onto Claypond Road, following Claypond Road to Bucale Road, then following Burcale Road until it ends at Riverside Drive. The line then continues in a straight line from the end of Burcale Road to the intracoastal waterway, where it then follows the waterway to the Georgetown - Horry County border. (2) The eastern boundary of Zone 2 in Horry County is the western boundary of Horry County Zone 1 as defined above.
