

Home Inventory Checklist

Natural disasters can strike anywhere at any time. That is why it's important to have a room-by-room inventory of your home. A home inventory – along with photos and proof of ownership – will make it easier to file an accurate, detailed insurance claim in case your home is damaged or destroyed in a disaster.

The inventory list includes the main portions of the house. However, do not forget other areas, such as the closets, basement, attic, garage, porch/patio, work room and shed. When reviewing these areas, be sure to document all items stored in these areas. Remember to store this list in a safe place away from your house.
